Here's where to find crave-worthy versions of the rich, cheesy delight all across America

### A MAC AND CHEESE QUEST

These 36 restaurants across the country are taking a comfort classic to the next level with cheese-plate-worthy cheese blends, chunks off lobster, spicy chorizo and more.

These are macs you won't miss - one's even served atop a burger

### CORNING, NEW YORK: MOONEY'S SPORTS BAR & GRILL

Mooney's has nine great locations across upstate New York, is the self-described "Home of the Mac and Cheese."

Dairy and carbs are serious business here. The selection is astounding with well more than a dozen variations

on the classic. There's Taco Macaroni and Cheese, Lobster, Philly Cheesesteak, Buffalo Chicken,

Stuffed Banana Peppers, BLT and many more. The most momentous of all the selections

is the Rodeo Mac. Weighing in at over a pound, this massive plate features Mooney's original cheddar cheese macaroni with pulled pork, and it's finished with fried onion petals and BBQ sauce.
